Clinic, Employer, Job Seeker, and Admin Dashboards

**03**

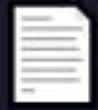

## Core Flows

Signup/Login, Subscription Checkout

**04**

## Workflows

Staff Download, Job Application, Enquiry Flow

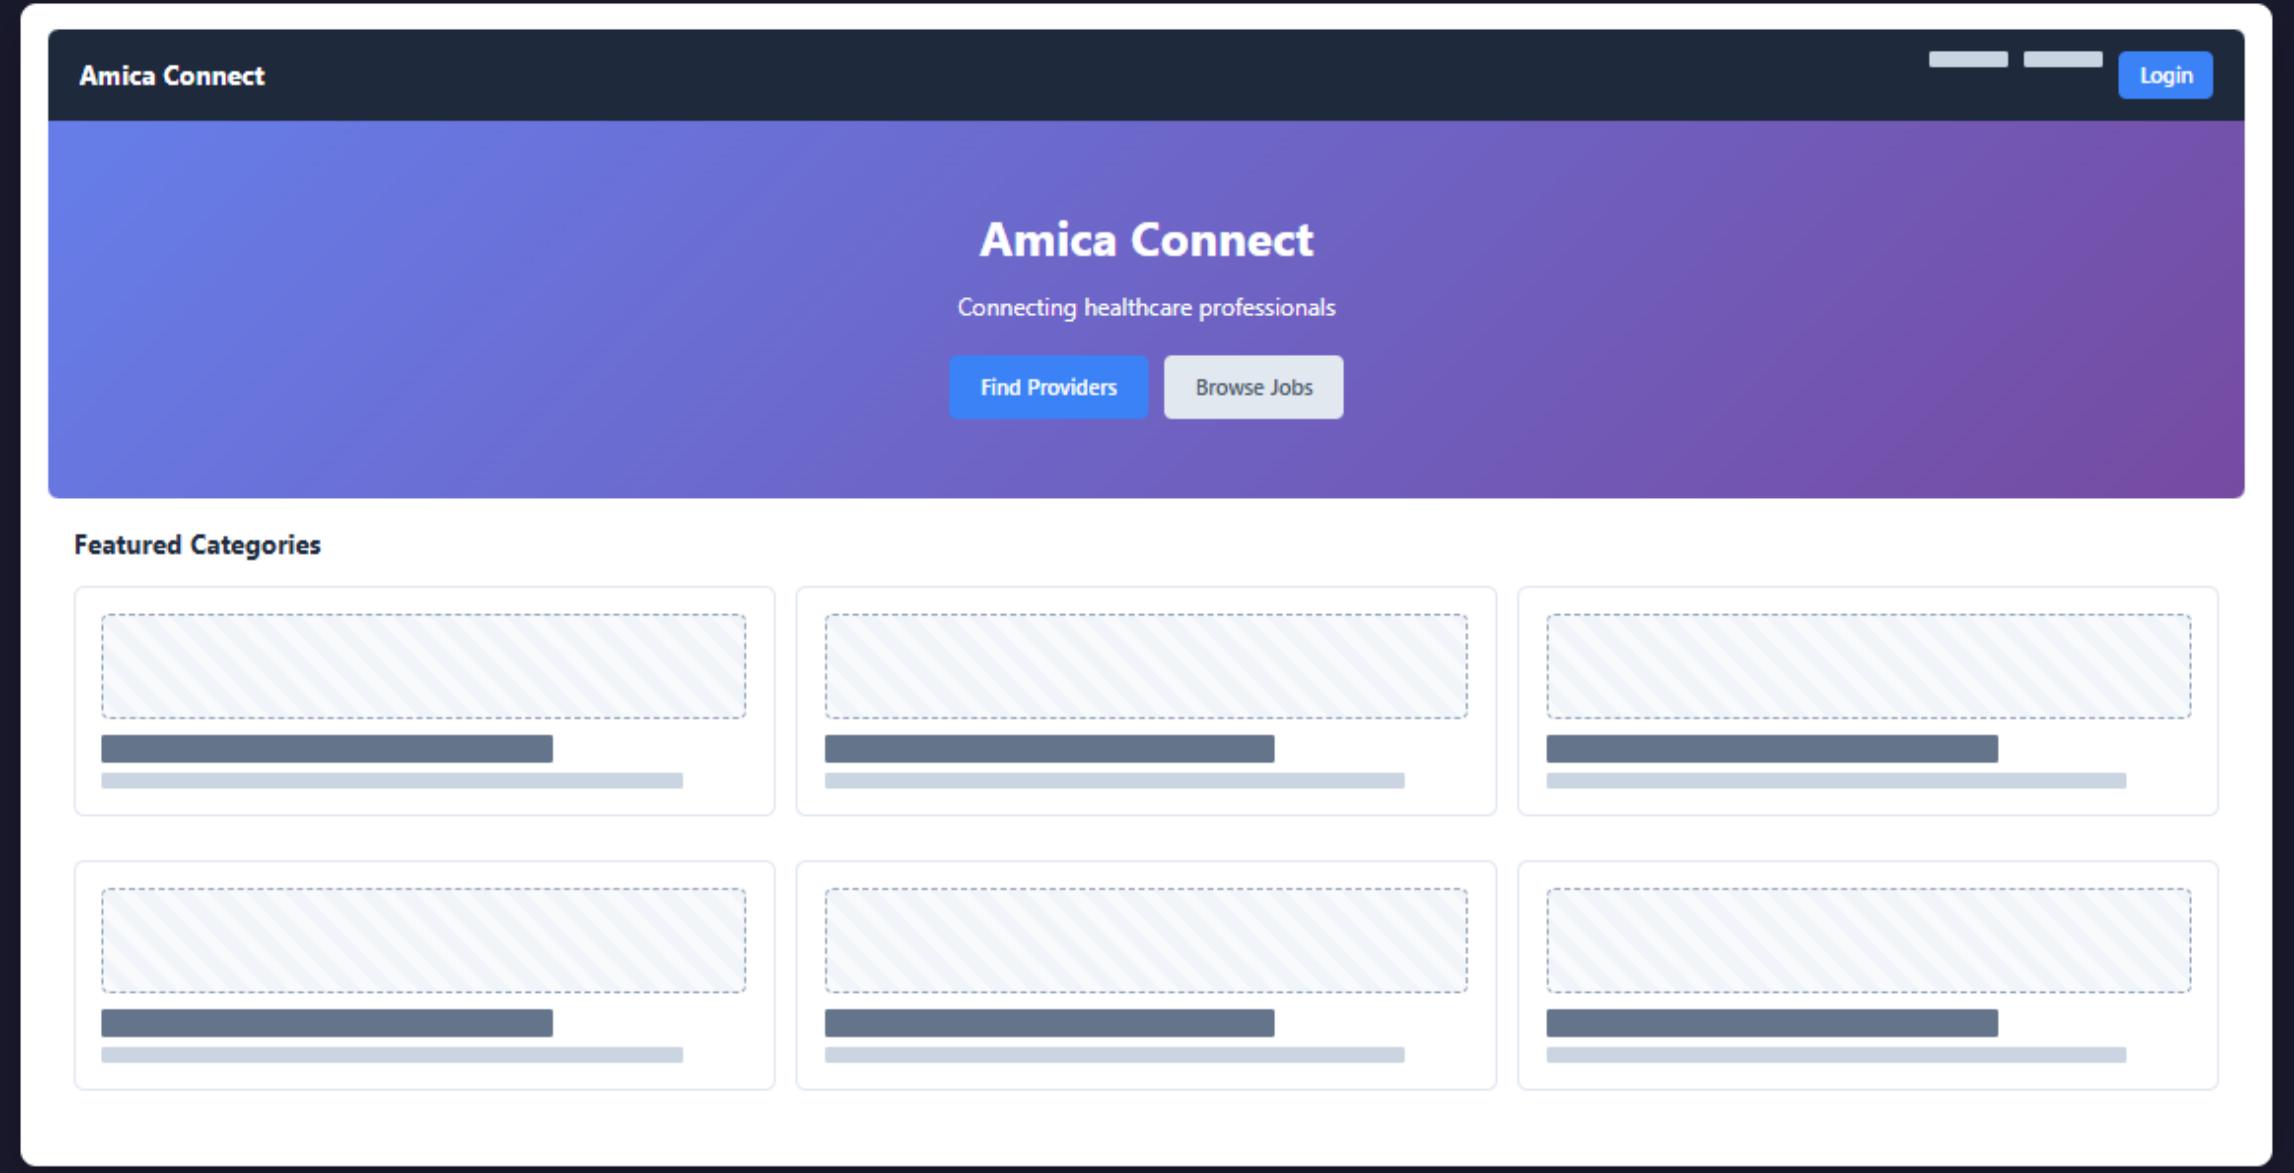

# Public Pages

User-facing pages accessible to all visitors

# Home Page

Landing page with hero section and featured categories

The wireframe illustrates the Amica Connect landing page layout. At the top, a dark header bar contains the "Amica Connect" logo on the left and a "Login" button on the right. Below the header is a large purple rectangular area serving as the hero section. In the center of this area, the "Amica Connect" logo is displayed above the tagline "Connecting healthcare professionals". Two buttons, "Find Providers" and "Browse Jobs", are positioned below the tagline. Underneath the hero section, the page features a "Featured Categories" section containing six rectangular boxes arranged in two rows of three. Each box has a dashed border and a dark gray horizontal bar near the bottom.

# Category Listing

Browse providers and services by category with filters

Amica Connect

## Browse Categories

The interface displays a search bar at the top right with a blue "Search" button. To the left is a "Filters" section containing four filter options, each represented by a checkbox and a horizontal bar. Below the search bar are four large rectangular boxes, each containing a dark blue horizontal bar and a light gray horizontal bar, representing placeholder content for categories.
